

BOARD DIVERSITY POLICY

PURPOSE

This Board Diversity Policy sets out the policy and framework for promoting diversity on the Board of Directors (“**Board**”) of HL Global Enterprises Limited (“**HLGE**” or the “**Company**”).

POLICY STATEMENT

The Board recognizes that a diverse Board is an important element which will better support the Company’s achievement of its strategic objectives for sustainable development by enhancing the decision-making process of the Board through the perspectives derived from the various skills, business experience, industry discipline, gender, age, ethnicity and culture, geographical background and nationalities, tenure of service and other distinguishing qualities of the Directors.

When reviewing and assessing the composition of the Board and making recommendations to the Board for the appointment of Directors, the Nominating Committee (“**NC**”) of HLGE will consider all aspects of diversity in order to arrive at an optimally balanced composition of the Board. When considering gender diversity, the NC shall consider:

- (a) including a requirement to present female candidates if external search consultants are used to search for candidates for Board appointments;
- (b) requesting for female candidates to be fielded for consideration when seeking to identify a new Director for appointment to the Board;
- (c) improving female representation on the Board over time based on the set targets of the Board; and
- (d) appointing at least one female Director to the NC.

The final decision on selection of Directors will be based on merit against objective criteria that complement and expand the skills and experience of the Board as a whole, and after having given due regard to the overall balance and effectiveness of a diverse Board.

SETTING TARGETS

The NC will discuss and agree annually on the relevant measurable targets and timelines for promoting and achieving diversity on the Board and make its recommendations with accompanying plans and timelines for consideration and approval by the Board. The targets may involve at any given time, one or more aspects of board diversity with different timelines for achievement.

BOARD DIVERSITY POLICY

IMPLEMENT AND REPORT

The NC will be responsible for ensuring that this Policy is implemented in an effective and practical manner. It will report to the Board annually on the progress made towards achieving the targets set for promoting diversity as described in this Policy, and disclose this Policy in the Company's annual report together with the following:

- (a) the targets set to achieve diversity;

- (c) the progress made by the Company in achieving the targets within the timelines set; and
- (d) a description of how the combination of skills, talents, experience and diversity of its Directors serves and meets the needs of the Company.
